Info: Moishe Herman, 208-577-8765, moisheherman@gmail.com

**"Enriching Connections - Nourishing Roots"**

- Israel is fruitful and flourishing behind the media curtain of gloom and doom.
- Experience a trip through the roots of Jewish connection to the land of Israel and see how it is blossoming today.
- Understand where the sources of negativity originate and become enabled to stand up for a good and healthy future for the region as a whole.
